81.6 Acres Timber, Meadow, River

Nestled between the Little Sioux River Wildlife Management Area and Dead Horse Canyon, the King farm offers a great blend of thin and heavy wooded hillsides, dense forested bottom ground plus large open grassy meadows with Oxbow wet lands. The Little Sioux River flows through the east part of this tract. The farm has some great views from grassy hill top knobs. A 60’ wide lane across the cropland just south of the acreage will provide deeded access. Up to 24 acres may qualify for the county assessors Forest Reservation program.

21.4 Acres Farmland

21.4 acres of nearly level all tillable farmland. The crop acres are located all in one field. The farm is bordered on the east by the 81.6 acres of timber and meadow; on the west by a gravel road, 270th Ave. Majority of soils are Sac and Ransom. 72.8 CSR

This tract would make an excellent small farm investment or great add-on to both the other tracts.
